Theology and Community Building Workgroup Meeting
New York, NY – October 13, 2001

There are 4 pillars that hold up communities, schools, families, churches and community based organizations:

1. Liberation
 - a. Individual
 - b. Structural
 2. Healing
 3. Community
 - a. Be community
 - b. Go to community – called to be a blessing
 4. Transformation
 - a. Holistic
 - b. Perpetual growth
-
- Community Based Organizations want to be institutionalized, but this is a huge danger.
 - Captivity theology – Israelites experience vs. the inner city. Need to ask how people in captivity acted.
