

We've been keeping an eye on you AGENT XL-1! Yes, we know your number..... and we know who you're working for too! Take a peek out of your window right now. That's our own secret agent Z96B4GL-70R, peeking back at you with his Nose against the pane! (Z96B4GL-70R is nearsighted). But don't get any ideas XL-1.....Z96B4GL-70R has the Nose of a Bloodhound & the ears of an Apache Indian. (It's a hobby of his, collecting noses and ears.....you should see the swell eyebrows he got from.....) NEVERMIND!! Just remember XL-1, we know what you're up to, and you're not getting away with it! And one more thing XL-1, will you be a good sport and give Z96B4GL-70R a message for us? Just open the window and tell him his wife called and said He shouldn't worry..... She found his 22 Caliber Fountain pen under the Davenport.

Hey Cleve,
Guess who!

I thought I'd write and tell you that I almost got married last week. Scared the hell out of me, - but I'm together.

Good luck in your work.

Love
Charlotte

May your house be safe from
