Dear Ed:

I'm using a picture of the first three girls arrested down there in Jackson in the next issue of the Patriot. No story but cut lines in which I am trying to bring the situation there a little bit up to date on the Churches.

I am enclosing a carbon because you will notice that I am referring to the meeting in Detroit at which I noticed in a clipping somebody sent you spoke. It seem to me that what you had to say was so important but I picked this out to use in a rather short story. *that*

Will you please let me know if you are incorrectly quoted ~~in anyway~~ or if you think I should change this. As you can see I want be able to do exhaustive treatment this time but I want what we do say to be correct.

If you think I should change anything please telephone me collect by Wednesday November 27 as I will be checking proofs on Thanksgiving before getting off to the SNCC conference that night. Call collect of course.

Best regards,

*Anne*  
Anne Braden
