Tougaloo Christian College  
Tougaloo, Mississippi

Dear Eddie:-

You intimated the other evening, when you called, that you would like to have a conference with me - - - at least, I seem to recall that you asked if I would "talk" with you.

This is to advise that, if you would like to have a chat with me, I would be happy to receive you in my office at a time that would be mutually convenient. In as much as I am leaving the city tonight and will be gone for some several days, I perhaps could not see you before sometime next week, that is, the week of the 14th. If you are interested in coming to see me and will call me sometime Friday morning of this week, I will give you a date for the week suggested.

I think it might be best, if we are to meet at this time, that it simply be a meeting between the two of us. This perhaps would accord both of us a greater degree of freedom than we might otherwise have.

With kindest regards and best wishes, I am

Sincerely yours,

  
F. E. Dement, Jr.,
