Dear Friend,

I wrote a letter informing Keith Sankle that the meeting of the Intercollegiate Fellowship Council will be Sunday, March 18 at Jackson College. As of yet I have had no reply that you would come on that date. The title of the topic is "In which political party should we entrust our future for the next four years".

I would appreciate it very much if you would send me the names of the other students at the meeting last time and their addresses. I am not referring to the students of Jackson College, Millsaps, Tougaloo or Alcorn.

Sincerely yours,  
Charles Holmes
