Dear Mr. King:

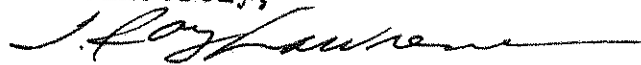

This is to notify you and your delegation at Millsaps College of the coming Intercollegiate Fellowship Council meeting which will be held on this campus on Sunday, February 10, 1957 at 3 P.M.

Since this meeting is of utmost importance, I am urging you to be present. Please let it be known that this meeting is for Council members only.

I would appreciate it very much if you would relay this message to some of your faculty members. Their presence also would be highly appreciated.

In the event that you will not be able to attend, I would appreciate an explanation.

Sincerely,
