Hail, Comrade!

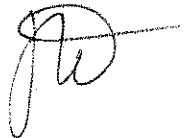

Thanks once again. I'll get the names on the mailing list for next week.

Shall I write them that you are sending the paper?

I'd like to come up on the 17th to the Democrat shindig, but I'm not a Democrat, and that's a press day too. I'm a Dixiecrat, personally, and I'd like to college info for my party; however, I'm likely to be pooped by dark.

It's good to hear from you again.

Regards,
