① I want to complain
} an abridgement of my
rights as a U.S. citizen.

On Sunday, June 7, 1963
I drove ~~out~~ ^{with son} Woodson
Nisner Ave. to the old
Jackson Municipal Airport.
I planned to meet a
minister flying in
to Miss. from Mass.
At the drive leading
from Woodson Wilson
Jackson police officers

asked me to stop my car. I did so. The police asked what I was doing. I said I wanted to meet a friend. The police insisted on knowing who this person was, where he came from, and ~~why~~ what his business in Minn. was. I told them that the person was not James Meredith, who was due

Quarterly sets of thirteen full-color teaching pictures 12½x17 inches are provided for teachers of Kindergarten, Primary, and Junior classes using Group Graded Lessons . . . excellent for departmental worship and for visualizing the lessons. Each set packed in strong envelope suitable for storing.....per set, \$1.50

to come in on another ~~air~~ plane that afternoon. But I told the police that as an American citizen, I did not have to give the name of a person flying in from another state. During this conversation several cars driven by white persons drove by going to the airport. Police

This 48-page quarterly carries guidance for teachers of children under nine using The Primary Class in small schools. Materials for each lesson include Scripture quotations, explanation of purpose of the lesson, background information, guide for planning the class session and songs and stories.....per quarter, 22¢

did not stop them.
I was then ordered to
drive on away from
the airport. I panicked
on going to the airport
and an officer threatened
to arrest me. I think
his name was Armstrong.
My companion in the
car was John Salter. We
decided the prudent thing
to do was drive away.
We did so and were
followed by two police

BOYS' AND GIRLS' TEACHER

Here are complete helps for the teacher of older boys and girls in small schools using Junior Quarterly. Materials for each lesson include Bible text, background material for the session, list of things needed by the teacher, and a helpful outline for teaching the lesson to maintain the maximum interest.....per quarter, 22¢

on motorcycles and two men ~~in a~~ dressed in plain clothes in an automobile. We were followed a few blocks by the police and for 40 minutes or so by the other men.

(Their license no. was ~~_____~~.) We went ~~into a drug store~~ parked the car and went into a drug store. They parked behind us. We walked

CHILD GUIDANCE IN CHRISTIAN LIVING

The monthly magazine for all officers and teachers in the children's division, with extensive helps for teachers from nursery through juniors using either Group Graded or Closely Graded materials. Each issue also presents enrichment articles for all teachers, and other helpful features.....per quarter, 50¢

past their car and noticed two helmets on the back seat. ~~where~~ we wrote down their license numbers. They soon drove away. I phoned my friend at the airport and eventually was able to pick him up. I phoned the FBI to ask for help in reaching the airport but was told they could do nothing. I asked that the FBI at least send an advisor to the airport. This was not done.
